Mr. Miguel Delossantos 14A5516  
Shawangunk Correctional Facility  
200 Quick Road  
P.O. Box 700  
Wallkill, NY 12589

Dear Mr. Delossantos:

I am writing this letter to express to you both my heartfelt appreciation, as well as that of the entire Department of Corrections and Community Supervision, for the efforts you have expended as part of this Department's COVID-19 response. Countless New Yorkers have benefitted from your efforts, and some of them may in fact owe their lives to those efforts, even though they may be completely unaware that the critical Personal Protective Equipment and hand sanitizer that were made available to them, were produced by incarcerated individuals working within our institutions.

There is no question that the COVID-19 pandemic has posed an enormous threat to the health and well-being of every New Yorker, as well as every American. It is a disease that does not distinguish the rich from the poor, the old from the young, and the healthy from the unhealthy. Anyone can become infected with this disease, and suffer the worst possible outcome, regardless of their own circumstances and background.

I hope you realize that the protections against this disease which you helped to create, not only may have been the critical difference for someone not catching the disease and becoming very ill, but also the critical difference for them either surviving or not surviving. You should be very proud of the specific role you played in the common fight all of us are a part of, to defeat this insidious disease.

Thanks again for your participation in our all-encompassing COVID-19 response efforts.

Sincerely,

Anthony J. Annucci  
Acting Commissioner

To whom it may concern,

I would like to take this opportunity to recognize an accomplishment achieved by inmate Miguel DeloSantos, DIN 14A5516. Inmate DeloSantos volunteered to take part in the hand sanitizer operation at Shawangunk Correctional Facility in response to the Covid-19 pandemic. Inmate DeloSantos voluntarily worked extra hours and learned every aspect involved in the hand sanitizer bottling operation. Mr. DeloSantos played an important role in making this project successful. He has shown true eagerness in supplying the state with this much-needed product during this difficult time. I am grateful for the hard work and dedication demonstrated by inmate DeloSantos; his work ethic has been outstanding. Our industry shop has been able to successfully ship millions of bottles of hand sanitizer for use throughout the state of New York with a motivated team of inmates. Mr. DeloSantos has been a much needed and appreciated member of this team.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Frost", written in a cursive style.

### Aggression Replacement Training

Congratulations on your most recent success, the completion of the Aggression Replacement Training (A.R.T.) program. Some time ago you embarked on a path to gain knowledge that you can incorporate into your everyday challenges. I trust that you have in fact gained this knowledge but more importantly that you will call to mind the various techniques the program detailed and that you would practice them. Remember these techniques will not only serve you well but you will no doubt affect those around you. You can be the example. Additionally, keep in mind that these techniques are effective in any environment. So, wherever you may be on your journey, remember your A.R.T. training.
